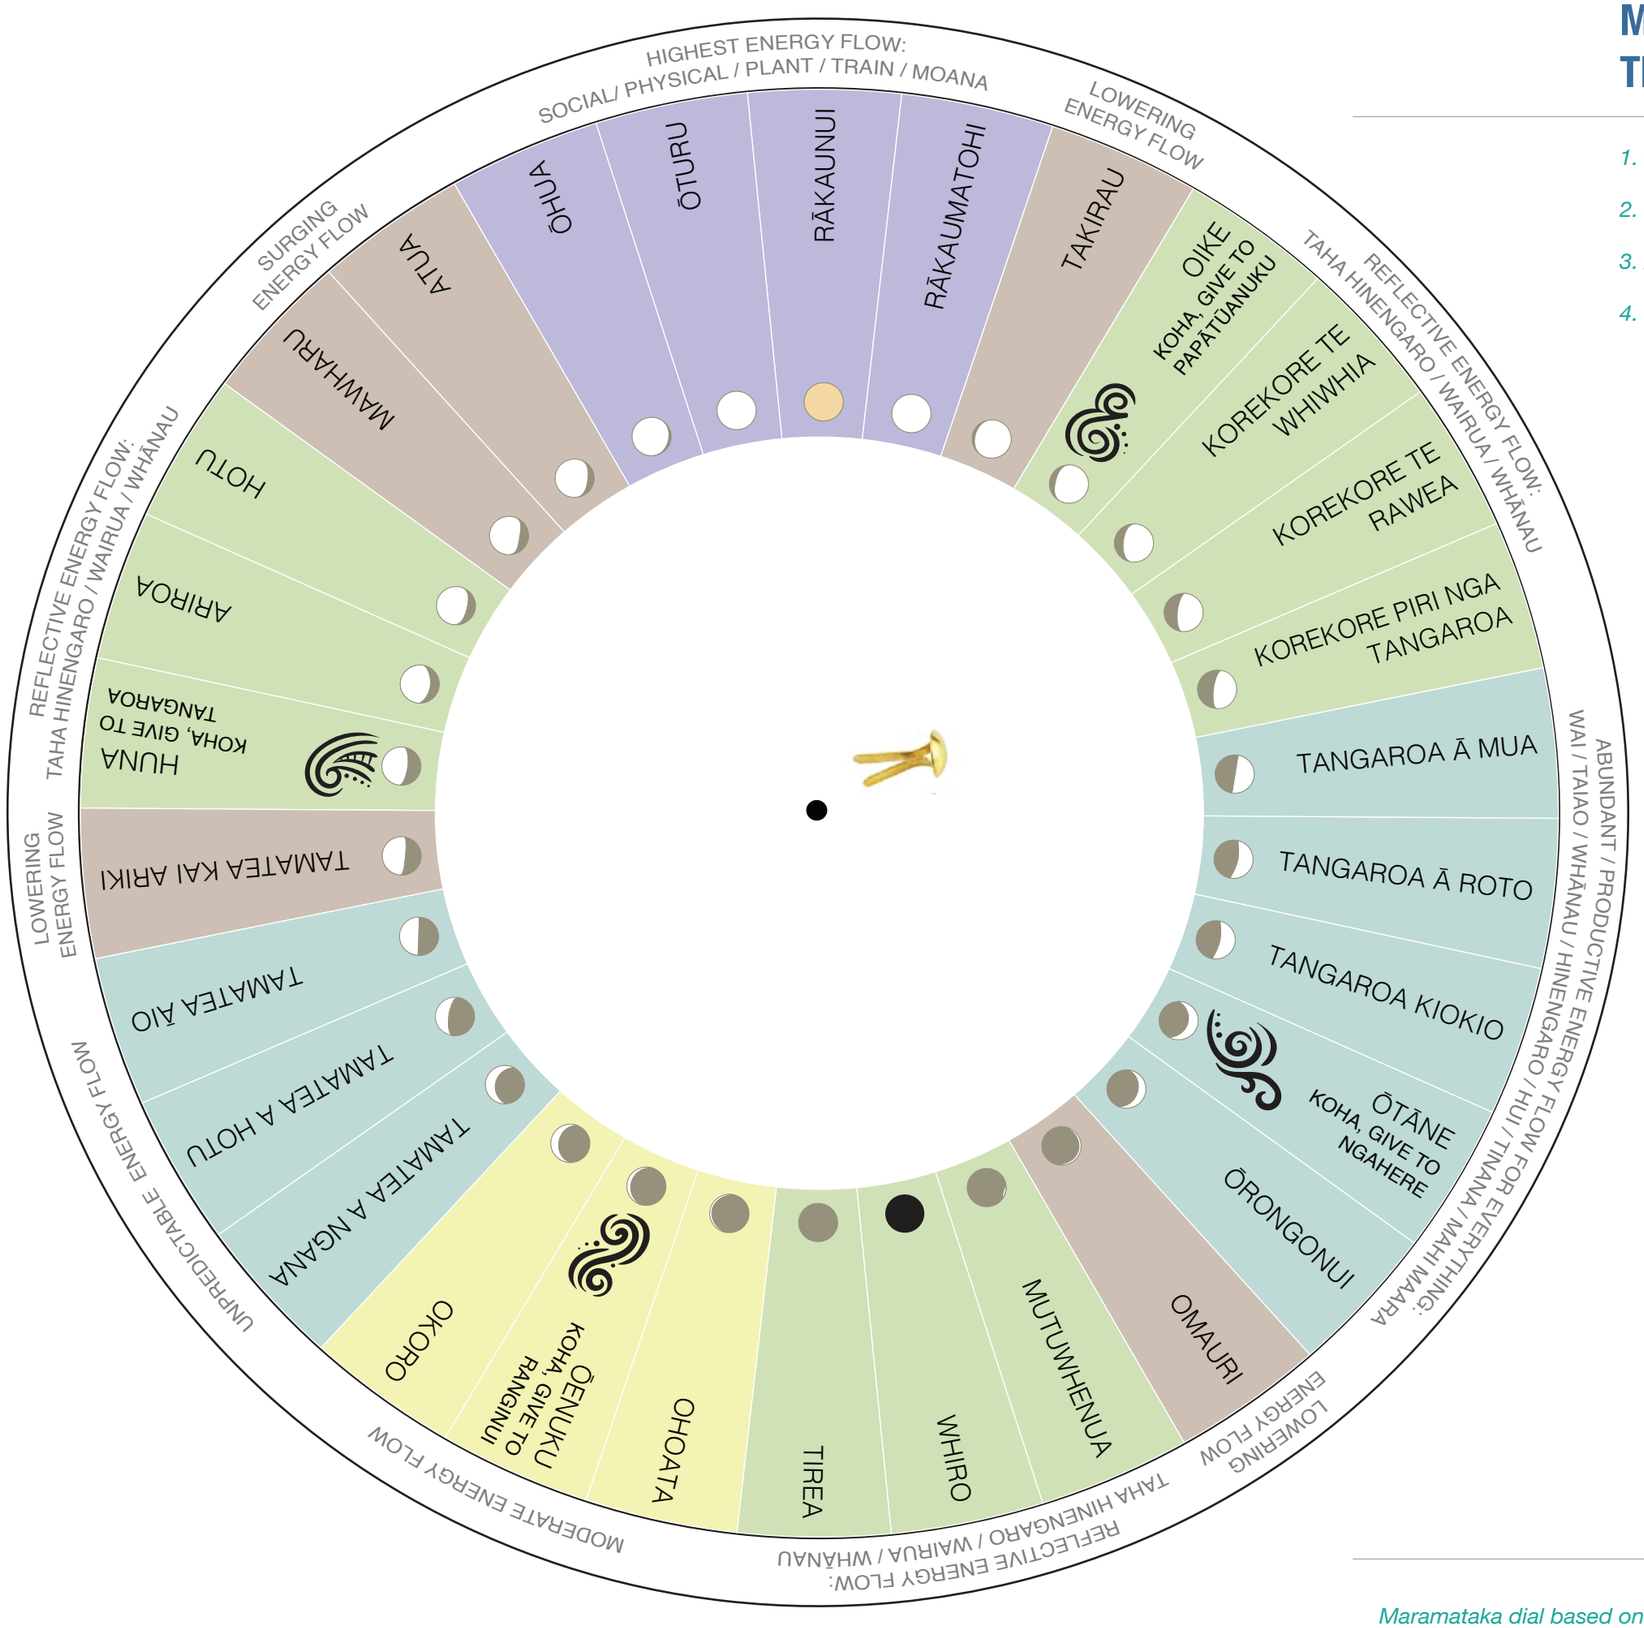
Maramataka Māori ki Tāmaki Makaurau: The Māori Environmental Calendar - Auckland

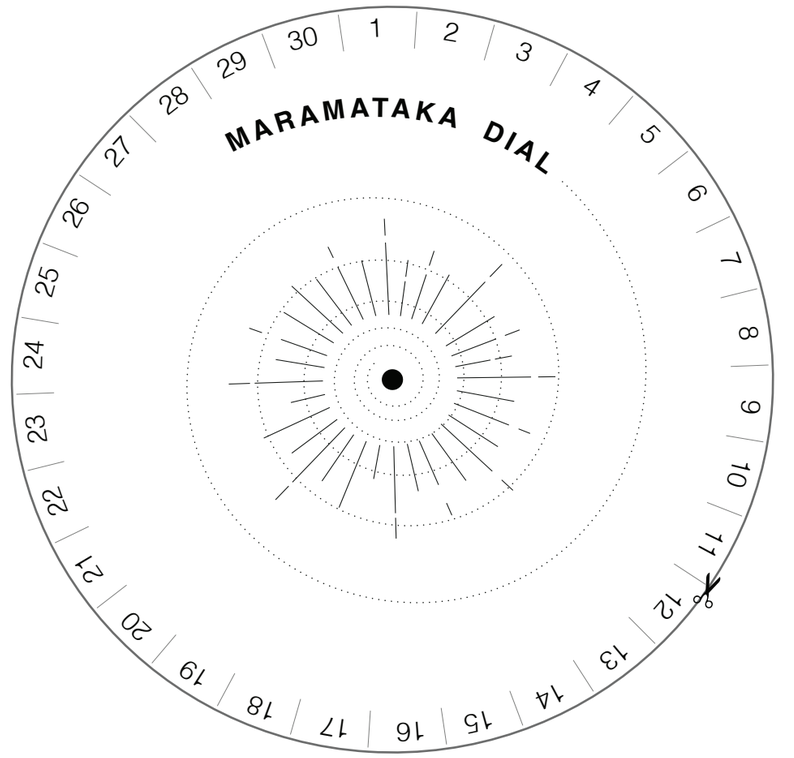
1. Cut the small circle and place it within the large circle.

2. Use a paper fastener, tape or blue-tak to join the 2 centre points.

3. Align the full moon, Rākaunui, with the proper date for the current month.

4. If necessary, turn the dial each month to align with Rākaunui again.





Maramataka dial based on korero toku iho. Any patai please contact Ayla Hoeta at hoetaayla@gmail.com
